

Public Liability Insurance

When choosing a Cleaning business it is always best to check that they have Public Liability Insurance, to make sure you are covered should an accident or breakage happen.

As a reputable company, we at Cleaning Angels feel that it is always important to err on the side of caution, which is why we insist on being fully covered by Public Liability Insurance, as it gives peace of mind to both our customers and ourselves.

Cleaning Angels are covered by APC Liability Insurance agents, for up to £5,000,000. The cover includes breakages, damage to property and personal injury damage, and covers every Cleaning Angel coming into your home or business.
